# Together we write our community's story

In many ways the Carlsbad Community Foundation is like a book. For 40 years now, the pages of the book have continued to grow, as does the list of authors. The fact is that we are all contributing authors to this amazing story that records the generosity of a community over the course of time.

Whether you are a new donor who has just made your first \$25 donation or a benefactor who has contributed thousands of dollars, we are grateful to you! By entrusting us with your charitable dollars, we

can continue to achieve our mission of improving lives of people in Carlsbad and South Eddy County.

Over time, our stories come together and we establish and preserve the legacies of generous people and organizations who have always believed that our future was worth giving for. Examples of that can be found on every page of this publication.

New benefactor, Dr. E.Z. Robinson, believed in education and through a Trust donated to the Foundation in support of youth who are pursuing college degrees. La Tienda Foods, Inc. and XTO Energy, an ExxonMobil subsidiary, became organizational benefactors through their support of the Founder's Fund to benefit the work we do for the community. Holiday grants were awarded through a fund that memorializes Phyllis and Gaylord Weaver that was established nearly 30 years ago. And Chevron Catalyst Grants were awarded for the first time thanks to the generosity of one of our newest organizational benefactors, Chevron.

The Foundation is honored to be a part of our community story.

# Board recognizes new benefactors

The Board of Directors is pleased to announce the recognition of Dr. E.Z. Robinson, La Tienda Foods, Inc., and XTO Energy, an ExxonMobil subsidiary, as benefactors. The action was taken during the December Board meeting.

Dr. Robinson was a Navy veteran, who served in the Pacific. He passed away in November 2015 at the age of 99. After completing his studies in Optometry, he operated his practice in Carlsbad from 1949 until 1969. He was active in the community as a member of both Carlsbad Rotary and the Elks.

Through his Trust, he directed a gift in support of scholarships.

La Tienda Foods, Inc., which owns and operates La Tienda Thriftway Supermarket in Carlsbad, was recognized as an organizational

benefactor. The business is an active supporter of many local charitable organizations and activities. At the Foundation, they have supported the Founders Fund, which helps the Foundation achieve its charitable mission. We are proud to have their support as part of the Foundation family.

XTO Energy, was also recognized as a benefactor for its support of the Founders Fund. In addition, XTO was recently one of the cornerstone donors that made the Friendship

Park project possible. Friendship Park is the community's first playground that is usable by children with special needs. The oil and gas industry is expanding in our area and we are honored by their community support.

Individual and organizational benefactors are those the Board recognizes as substantially seeking to improve lives in Carlsbad and South Eddy County as major donors.

# Foundation announces recipients of first-ever Chevron Catalyst Grants

**A**t the 2017 Carlsbad Community Foundation Reception in September, we announced the availability of a new grant initiative. Chevron Products Company, which is one of our organizational benefactors, has partnered with us to establish the Chevron Catalyst Fund. Nonprofit and charitable organizations applied for small to medium-sized grants through an online grant application.

In an effort to help diverse charitable needs, the guidelines of the grant initiative were broad. The response was positive, as more than 30 grant applications were submitted.

A review and selection committee was established to thoroughly review the applications. There were some excellent proposals and the members had to make some difficult decisions. Ultimately the committee selected 20 grant proposals to support. The total amount of grants awarded was more than \$55,000.

Congratulations to the following organizations, which are the first-ever recipients of the Foundation's Chevron Catalyst Grants:

- Assistance League of Carlsbad
- CARC, Inc.
- Carlsbad Area Art Association
- Carlsbad Parks and Recreation Advisory Board
- Carlsbad Community Anti-Drug/Gang Coalition
- Carlsbad Community Chorale, Inc.
- Carlsbad Community Concert Association
- Carlsbad Community of Hope Center
- Carlsbad Literacy Program
- Carlsbad MainStreet Project
- Carlsbad Transitional Housing and Homeless Shelter
- Carlsbad Wind Symphony
- Eddy County CASA
- Epsilon Sigma Alpha "Packs for Hunger"
- Friends of the Living Desert
- Lakeview Christian Home
- Landsun Homes, Inc.
- National Cave and Karst Research Institute

Foundation Executive Director Mike Antiporda with Chevron Operations Superintendent Allen Davis and his wife, Tari, following the announcement of the new grant initiative.

- Safe Escape Inc.
- Visions of Autism Advocacy Group

"Chevron's generosity has always been greatly appreciated," said Foundation Board Member Jon Tully. "This continued partnership allows the Foundation to further serve as a community catalyst to improve the lives of people in our area."

## *On the Cover* The Cowboy's Opening Ball

The scene on this pottery is believed to be "The Cowboy's Opening Ball", which marked the opening of the Hagerman Hotel in Eddy, New Mexico (now Carlsbad) on September 13, 1890. The pitcher was made of clay from a deposit discovered in the late 1800s near Carlsbad in the vicinity of Dark Canyon.

Jed Howard, a local historian and Foundation benefactor, who passed away in September, purchased the pitcher online. He generously donated the historic clay pitcher to the Foundation in 2010. Watch for more historical preservation news in the next issue of *The Catalyst*.

# Community reception celebrates giving

The giving spirit of the community was clear, as the Foundation hosted its annual reception. More than 200 people gathered for the event, representing both donors who generously give and grant recipients who put charitable dollars to work.

Mike Currier, who served as the master of ceremonies, recognized the important role that the Foundation's donors and benefactors play in achieving the organization's charitable mission.

"Making our community a better place for all is the ultimate goal," said Currier. "Our donors and benefactors make that possible through their generosity. And when we work together through an organization like the Carlsbad Community Foundation, we can do so much more."

Last year, the Foundation was able to provide grants to more than 60 charitable organizations and award more than 90 scholarships, returning more than \$950,000 to the community. Some of the Foundation's recent grants have supported the Carlsbad Battered Families Shelter, Packs for Hunger, The Boys & Girls Club of Carlsbad, Noah's Ark Animal Refuge, Lakeview Christian Home, Landsun Homes, Deliver-A-Meal, Carlsbad Veterans Memorial Park, CARC, Inc., the Carlsbad Literacy Program, Desert Willow Wildlife Rehabilitation Center, the Carlsbad Early College High School and the Halagueno Arts Park Committee. The Foundation also accepted more than \$300,000 in donations in a new fund for Friendship Park and has awarded grants for the completion of the project.

The 2017 Community Reception was an interactive event among many representatives of philanthropy in the community: donors, benefactors, board members, staff and many local charitable organizations. Mike Currier delivered brief remarks to those in attendance highlighting the giving spirit of the community and how the Foundation plays a key role in many charitable areas.

In addition, Mike announced the new Chevron Catalyst Grant initiative (see related article on Page 3). Application information was made available at the event and organizations began applying online the very next morning.

Thank you to all who took part in this special evening.

# Holiday grants spread cheer to local organizations

The Foundation welcomed representatives of 15 local non-profit organizations to a reception on November 21. The purpose was to award its annual holiday grants.

Just days before Thanksgiving, Executive Director Mike Antiporda expressed his appreciation to the recipients.

“We are so thankful to each and every one of you for the work you do in the community,” he said. “Day in and day out, you make a huge difference in so many people’s lives.”

Numerous members of the Foundation’s Board were also on-hand to offer congratulations and to hear about some of the work being done.

This year’s recipients included the Carlsbad Battered Families Shelter, the Boys & Girls Club, Carlsbad Community Kitchen, Carlsbad Community of Hope Center, Carlsbad Literacy Program, Carlsbad Transitional Housing & Homeless Shelter, CARC, Inc., CASA, CARC Child Development Center, Christmas Anonymous, CMC Auxiliary, ESA Packs for Hunger, Jonah’s House, Lakeview Christian Home and Landsun Homes.

## Friendship Park open for all

The Foundation is proud to have played a role in the development of Friendship Park. The \$300,000 project is the first local playground that is accessible and usable by individuals with special needs. Many thanks to the Friendship Park Committee and generous donors who made it a reality.
