Chevron Donates \$120,000 to the Carlsbad Community Foundation

CARLSBAD, N.M., December 23, 2020 – Chevron recently continued its support of the Carlsbad Community Foundation with a \$120,000 contribution. The purpose of the gift is to support the Foundation’s long-term charitable mission and the Chevron Catalyst Fund, which Chevron established at the Foundation in 2017.

“Chevron seeks partners in the communities where we live and work who help expand opportunities for health, education, and economic development,” said Nathan Carroll, Chevron Operations Superintendent, Delaware Basin. “The Carlsbad Community Foundation is an exemplary partner with an acute understanding of the Carlsbad community’s needs. We are grateful for their work in administering this grant and excited about the deserving programs selected this year.”

In 2016, Chevron became an organizational benefactor at the Foundation and continues to demonstrate that its major donor status represents an ongoing commitment to the community. Through the Chevron Catalyst Fund, the Foundation has managed a competitive grant program that has benefitted diverse needs throughout the area. The first awards were made in 2018 and the program has continued each year, since.

The Foundation is also pleased to announce the award of Chevron Catalyst Grants to 19 local organizations with a value of more than \$62,000. The recipients were selected in a competitive grant process that began in October. Grant checks will be presented to the following organizations in February:

- Carlsbad Area Artist Association

- Carlsbad Battered Families Shelter
- Carlsbad Community of Hope Center
- Carlsbad Community Theatre
- Carlsbad Lifehouse, Inc.
- Carlsbad Literacy Program
- Carlsbad MainStreet Project
- Cavern City Child Advocacy Center
- Christian Women's Job Corps of Carlsbad

- ESA Packs for Hunger
- Girl Scouts of the Desert Southwest
- Golden Services
- Jefferson Montessori Academy
- Noah's Ark Animal Refuge, Inc.
- Southeast New Mexico Community Action Corporation
- Southeastern New Mexico Historical Society
- United Way of Eddy County

“We are incredibly proud of our partnership with Chevron,” said Executive Director Mike Antiporda. “Their confidence in the Foundation and our ability to effectively allocate charitable dollars to meet community needs means so much to us. Together, we have been able to serve many in our community.”
