Putting Earth Day into Practice

Earth Day was recently celebrated, so a lot of focus has been on the efforts to reduce, reuse and recycle. Whether at home, a business or a nonprofit organization like us, it just makes sense to be good stewards of natural resources.

We took a big step in that direction last year when we implemented our online scholarship application process. I think we’ve saved some large swaths of forest in the process. But even if my mind is exaggerating the impact of that one change, the greatest benefit occurs when we work together. That’s the basis of much of the Foundation’s work.

Locally, we have some struggles with our recycling program. So that has me thinking of more ways to help.

Did you know that you can sign up to receive the Catalyst by e-mail? If you’re accustomed to regular use of your smart phone, tablet or computer, visit our Web site at www.carlsbadfoundation.org and give it a try! This not only reduces use of paper, but also saves printing and postage costs. Plus, our online subscribers often receive it earlier than those who subscribe by mail!

Of course, that’s not for everybody. If you prefer to hold the printed Catalyst in your hands and read it, there’s still something you can do. After you’ve finished reading, rather than discarding it, reuse it! Share the Catalyst with someone who may also be interested in learning about the giving spirit of our community.

Whichever way you choose, we’re proud to share these stories with you and are grateful for your continued support of our charitable mission!

Mike Antiporda is the executive director at the Carlsbad Community Foundation

Foundation Awards
$80K in Scholarships

Our community’s youth are beginning the next phase of their educational careers with a little help from the Carlsbad Community Foundation. Scholarships, which comprise more than half of the Foundation’s endowment funds, represent our community’s strong, long-term support of students going from high school on to colleges, universities or technical schools.

Board Member and Education Committee Chair Karen Orgain and Executive Director Mike Antiporda were on-hand this year to present 75 scholarships to students in Carlsbad and Loving. The total value of the scholarships is about $80,000.

The Foundation is proud to be the largest provider of local scholarships in South Eddy County. Additional scholarships for returning or continuing students will be posted on our Web site in June.
An Oasis in the Desert: Carlsbad Veterans Memorial Park

Sidewalks winding around memorials, benches where people can sit and reflect and a brick path with the names of veterans. That was what then Carlsbad resident Joe Epstein envisioned for the Carlsbad Veterans Memorial Park back in 2010. Fast forward seven years to today and the near-perfect accuracy with which the park has been established is amazing.

The former James Street/Rotary Park has been transformed into what many consider to be one of Carlsbad’s best-kept secrets. Tucked away near the Lower Tansill Dam, the park is an oasis in the desert that honors the men and women, who have served our nation with distinction.

The Mayor’s Veterans Memorial Park Committee, which Joe chaired until he moved, has guided the development of the memorials, walkways, etc. A fund at the Carlsbad Community Foundation has allowed donations to be made and progress on the park to continue.

Thanks to a generous gift to the Foundation last year by donors who wished to see major projects completed and several other individual and business donors, the Foundation has supported more than $50,000 of improvements to the park in the last year.

Not only is it a perfect place to enjoy a serene setting, but it is also an ideal location to hold events honoring veterans. As a community, we gather at the park to celebrate Veterans Day and Memorial Day annually. And recently, a ceremony was held to honor Eddy County soldiers who were part of the Bataan Death March in the Philippines during World War II.

Dagmar Youngberg, a veterans’ service officer for the NM Department of Veterans’ Services in Carlsbad, now serves as the committee chair. She and the other members of the committee proudly continue the work that envisioned the park years ago.
Your Guide for Easy Online Giving

Online giving to the Carlsbad Community Foundation is fast, easy and available 24/7! On your computer, laptop, tablet or smartphone, it let’s you give when and where it’s best for you. Visit our newly re-designed Web site at carlsbadfoundation.org and click on “Donate Online” to begin. Then follow these three easy steps:

Step 1
Fill out your name and basic contact information

Step 2
Type in the amount of your gift and specify its charitable use. You can type in a specific fund name or select from a categorized list. You can also specify if the gift is in memory or in honor of someone and who you would like notified (by e-mail or regular mail).

Step 3
Click the “Submit” button and enter your payment information. The site accepts credit cards or PayPal. A very small online fee is added, which goes to the processing company, not to the Foundation.

That’s it! You’ll receive an e-mail receipt from the Foundation automatically. No form, envelope or stamp needed! Why not give it a try? If you need help, give us a call at 575-887-1131 and we’ll be glad to help!

Community Legacy
Joe & Floy Nahm

Some 27 years after Floy Nahm passed away, she and her husband Joe’s legacy continues in our community. In her will, she named the Foundation as one of the estate’s beneficiaries, which led to the Joe & Floy Nahm endowment fund.

The Board of Directors have used proceeds from the fund to award grants to many local charitable organizations, including Carlsbad Municipal Schools, Renaissance, SENM Community Action Corporation, Boys & Girls Club, Christmas Anonymous and the Reintegration Center. Most recently, grants have been awarded to Class Act and Falcon Fest. We are thankful for their generosity, which will continue to benefit our community well beyond their lifetimes.
We want to continuously improve to provide you with all the latest Foundation news and useful tools to support our community. Please take a moment to complete and send back this brief survey or go online and complete it by June 30. You may respond anonymously or include your name if you wish. Your input is greatly appreciated!

Foundation Awards Grant to Wildlife Rehabilitation Center

The Foundation recently awarded a $25,000 grant to the Desert Willow Wildlife Rehabilitation Center. This was the final part of a three-year, renewable grant approved by the Board from the Benjamin P. Duke Memorial Endowment Fund in 2014. Shown above in a newly constructed flight pen is Jim Goodbar, Dr. Sammie Uhrig and Judy Bock.

Grant to Benefit the Homeless

The Foundation recently provided a small grant to the Carlsbad Community of Hope Center. The organization seeks to help the homeless by providing a safe campground to sleep and services to assist individuals and families get back on their feet and obtain permanent housing. Foundation Executive Director Mike Antiporda presented the grant for safety-related equipment to Patricia and Robert Jacquez.
