Friendship Park
A Place for Everyone
Pages 4-5
What community foundations do

So what exactly is a community foundation? The Carlsbad Community Foundation has been here for nearly four decades, but sometimes trying to explain our role in the community can be a challenge. The Council on Foundations, of which we are a member, defines community foundations as grantmaking public charities dedicated to improving lives of people in a defined geographic area.

That’s us! Our mission is to improve lives of people in Carlsbad and South Eddy County and we do it by awarding grants for charitable causes. Many know us for scholarships, but we do so much more.

We proudly support local organizations, such as The Boys & Girls Club, CARC, Lakeview Christian Home, Landsun Homes, the Battered Families Shelter and others. We support arts and humanities, education, health, human services, veterans and many other charitable needs.

One of the characteristics that make community foundations special is the establishment of permanent, or endowed, funds. These funds allow our donors to not only support charitable work and needs today, but also for many years beyond our lifetimes. This feature highlights the legacies of giving for which many in our community are known or remembered.

In addition, some of our work is to bring community resources together for shared purposes. Friendship Park (See Pages 4-5) is a great example, as is our support of the Carlsbad Fire Department’s 4th of July Fireworks Show, Carlsbad Veterans Park and the Mayor’s Oil & Gas Summit.

We thank you all for your continued support and generosity. None of this happens without YOU!

Mike Antiporda is the executive director of the Carlsbad Community Foundation

Mayor’s Oil & Gas Summit nears

On October 16, the 5th Annual Mayor’s Oil & Gas Summit is tentatively scheduled to be held in Carlsbad. This gathering is important for our area, because of the many ways the oil and gas industry impacts local residents. As the market rises or falls, the effects can be seen on our roads, in local stores, in the schools and elsewhere.

The summit is an opportunity for us to hear from experts, ask questions and learn about the current status and future outlook of the industry in the Permian Basin.

Registration for the summit is free by calling the Mayor’s Office at 887-1191. The event will take place at the Walter Gerrells Civic Center beginning at 8 a.m. and concluding around 1:30 p.m.

Through the Mayor’s Oil & Gas Summit Fund at the Foundation, we are proud to support this educational and community-building event.

Continuing students awarded scholarships

The Foundation recently completed another cycle of scholarships for continuing or returning students. Online applications were accepted June 1 through July 7. Final selections were made in July that resulted in 19 scholarships being awarded with a total value of about $23,000.

Congratulations to all scholarship recipients and best wishes for a successful academic year!
Be Our Guest!
Community Reception to celebrate local giving

Join us in celebrating the giving spirit of our community! The Foundation’s annual Community Reception will be Thursday, September 21, 2017 at the Pecos River Village Carousel House from 6 to 8 p.m.

The occasion is not only to thank our donors and benefactors for their dedication to the Foundation and our community, but also to celebrate local giving. Mike Currier will reprise his role as the master of ceremonies, which he has volunteered for since 2004.

Like last year, the reception will provide ample opportunity for all to gather and visit, promoting the type of interaction among donors and charitable organizations that has made the Foundation successful for nearly four decades. In addition, during the master of ceremony’s brief remarks, a special announcement is planned for a new initiative that will benefit local nonprofit and charitable organizations in South Eddy County.

Please RSVP by September 12 by calling 887-1131 to reserve your complimentary tickets. We’re looking forward to seeing you at the celebration!

2017 Annual Report Highlights

The Foundation’s fiscal year ended June 30. We are pleased to provide a quick look at some of our annual report highlights!

- **$15 Million**
  Total assets

- **342**
  Funds at the Foundation

- **$832,400**
  Contributions received this year

- **94**
  Scholarships awarded

- **$115,000**
  Total value of scholarships awarded

- **64**
  Organizations that received a grant

- **$958,000**
  Amount granted for charitable purposes in the community

*Unaudited numbers, rounded*
The joy of playing on a playground with other kids is something not all children get to experience. That notion is unthinkable and thanks to Carlsbad residents Deanna Taylor and Wanda Welch it will soon be relegated to a distant memory for children in our community.

While Carlsbad is fortunate to have many parks, there are none that are truly useable by children with special needs. So Deanna and Wanda have rallied the community around the construction of Friendship Park: A Place for Everyone. They obtained permission from the City of Carlsbad to construct the park adjacent to Rotary Park, which is located near the old Rocket Slide along the Pecos River.

The concept is that this park will have playground equipment to accommodate children with and without special needs, so they will be able to play together. This will enable siblings, cousins, friends, etc. to play together regardless of physical abilities or limitations.

“We talked to kids, parents and teachers of children with special needs and anyone who may have an interest in the project,” said Deanna. “The final plans are based on their input and experiences.”

The durable specialized surface of the playground will cushion falls, but will be flat, so that wheelchairs, walkers, canes or other aids will be usable not only by kids, but also by parents, grandparents or other caregivers.
The duo lead the Friendship Park Committee and established a non-endowed fund at the Carlsbad Community Foundation in March. They approached businesses and individuals, alike, and secured major contributions from Chevron Products Company, COG Operating LLC, the Forrest Family Foundation, the ExxonMobil Foundation, MRC Energy Company, Henry McDonald Trucking LLC, Devon Energy Corporation, and Carlsbad National Bank, in addition to generous contributions from many other businesses and individuals.

“Our community is so generous,” added Wanda. “And this project has galvanized people together, because a child on the sidelines is just unthinkable.”

To date, the fund has surpassed $300,000 in donations, which will allow the Foundation to award grants necessary to complete the project. The playground is expected to be completed in late September.

Community Legacy

CHS Band Director & Teacher Stanley Siebenthal

The legacy of Stanley Siebenthal continues to be honored through the Carlsbad Community Foundation. An educator, he was well-known in our community as the high school band director. He served in that capacity for 22 years, from 1942 to 1964. He was inducted into the New Mexico Music Educators Association Hall of Fame in 1999.

The Stanley Siebenthal Memorial Band Student Scholarship was established in 2000 by A.E. and Connie (Siebenthal) Bickerstaff and other family members. The endowment fund has provided scholarships for numerous students since the first was awarded in 2009.

Band students for many years to come will continue to benefit from his legacy.

Readers shared input on The Catalyst newsletter

Many thanks to those who responded to The Catalyst survey by mail or online! The response was small, but it was enough to see some common themes. First, our readers are happy with The Catalyst. Both local and out-of-town readers seem to enjoy reading about the latest Foundation news and the generous giving that goes on in our community.

Second, both the printed version and the online version are important to you. While we continue to modernize and make use of ever-changing technology for those comfortable with the digital approach, many also like the more traditional printed approach. We strive to serve the needs of all!

As always, we work at being good stewards of the charitable dollars we spend. Many donors don’t use the donation form or the pre-printed envelope provided in every issue. To keep printing costs down, starting with the next issue, envelopes will be provided separately at your request. We have added a check box to the form in this issue to easily request another form and envelope for when you need them. You can also call or e-mail us and we’ll send forms or envelopes to you any time. We’ll give it a try and see how it goes.

Thanks again for your participation and support of our community!

About Us

The Carlsbad Community Foundation is a charitable nonprofit organization that promotes and enhances the lives of people in Carlsbad and South Eddy County. The Foundation was established in 1978 and has been a primary supporter of education, arts and humanities, health and human services and other key issues for nearly four decades.
