I have found that briefly summarizing the work we do as a community foundation can be challenging. While we are known for awarding grants and scholarships, I recently presented our role from a different point of view, based on a heartwarming comment from Kristen Montes, the granddaughter of Ralph and Mickey Bowyer, in whose memory we proudly manage an endowed scholarship fund.

Referring to the work of the Foundation, she said, “You are a guardian of many legacies.”

Upon hearing those words, I realized how they summarize an over-arching purpose of all community foundations, including ours. That purpose is to establish and continue the legacies of cherished members of the community.

We’ve now been doing that for more than 40 years. Whether a teacher, doctor, business owner, community leader, volunteer or other, the Foundation’s role in continuing their legacy is unique. Some lived long lives of service in our community, while some were young people who left this world too soon. And each time we award a scholarship or a grant, their legacy grows.

As a nonprofit organization, we are honored by your support, which allows us to assist with local charitable needs, encourage education through scholarships and to recognize and remember the amazing people who have come before us.

Thank you all for what you do to make our community a better place to live!

---

Chevron makes generous donation

Chevron recently donated $100,000 to the Foundation. The gift was to support the Founder’s Fund for the long-term benefit of the Foundation’s charitable mission, the Chevron Catalyst Fund for the competitive grant program, and the Carlsbad Mayor’s Energy Summit Fund that convenes industry and community members for educational presentations and discussions. Chevron became an organizational benefactor at the Foundation in 2016 and continues to be a strong supporter of local charitable needs. Shown in the photo above are Chevron’s Operational Superintendent Allen Davis, Foundation Executive Director Mike Antiporda and Chevron Mid-Continent Business Unit General Manager Operations Don Puckett. The Foundation will award 2019 Chevron Catalyst Grants after the new year, but announcements will be made by Dec. 31.

---

Exxon Mobil Board visits Carlsbad

Exxon Mobil’s Board of Directors recently visited Carlsbad. XTO Energy, a subsidiary, is a Foundation benefactor and invited Executive Director Mike Antiporda to address leaders from the two companies. Mike was honored to represent the Foundation and the area’s nonprofit community.
During the week of November 12-18, 2018, the Carlsbad Community Foundation joined more than 795 community foundations across America celebrating Community Foundation Week. For 29 years, the effort has raised awareness about the increasingly important role of these philanthropic organizations.

On Nov. 15, the Foundation held a Holiday Grant Reception, where it awarded mini-grants to 15 local nonprofit organizations. The recipients serve broad segments of the community, including youth, victims of domestic violence, the homeless, hungry, elderly and many more. We are proud to partner with local donors in support of the charitable needs of many.

Community foundations are independent, public entities that steward philanthropic resources from institutional and individual donors to local nonprofits that are the heart of strong, vibrant communities. Last year, the Carlsbad Community Foundation returned more than $1 million to the community for charitable purposes, which included grants to more than 60 organizations and scholarships to more than 100 students.

Community Foundation Week, created in 1989 by President George H.W. Bush, recognizes the work of community foundations throughout America.
Celebrating 40 years of the Carlsbad Community Foundation

The evening was certainly special, as the Carlsbad Community Foundation celebrated 40 years of service. Donors, current and past board members, staff and friends gathered to mark the occasion and remember the many legacies that continue through the Foundation’s work.

Master of Ceremonies Mike Currier dressed the part, wearing a blue leisure suit from the late 1970s. He does a great job in that role and has served since 2004! This year, he was joined on stage by Executive Director Mike Antiporda, who presented a special publication that documents the Foundation’s history. Copies are available at the Foundation.

Many thanks to all who have shared our vision and made the Foundation a success!

More than 240 friends gathered to celebrate.

Non-traditional scholarships benefit continuing and returning college students

The Carlsbad Community Foundation awarded 20 scholarships to South Eddy County students who are continuing or returning to college. The Board of Directors and staff welcomed the recipients to a reception at our downtown office to present the students with their scholarships. Each year, online applications are accepted in June and awards are made prior to the start of the Fall semester.

TorcSill Foundations LLC makes generous gift

TorcSill Foundations LLC recently made a generous gift to the Founder’s Fund, which supports the Carlsbad Community Foundation’s long-term charitable mission.

The company is new to Carlsbad and was celebrating the opening of its new facility, where they demonstrated the technology they bring to the oil and gas industry. Pictured with Mike Antiporda, Neal Dungan, Ekta Patel and Jim Renfrow from the Foundation are TorcSill CEO Tim Swift and Rich Knapp.
Online Giving Portal streamlined with new system

The Foundation first began accepting online donations in March 2015. This gave our donors near and far the option of giving at any time, from their home computers, tablets, or other devices.

With the adoption of a new integrated software program that the Foundation uses for all its accounting and contact management needs, the Online Giving Portal will have a new look. But most importantly, there will be some new features for our donors.

Finding the fund you wish to donate to will be easier, as options are presented when you begin to type a fund name. Online credit card fees will no longer be added to your gift.

Also, the new system will give donors the option of making recurring gifts on a monthly or annual basis. A perfect option for donors who wish to make regular gifts without the hassle.

Thank you for your patience as the new system is put into place. We appreciate your support!

Marquee lights illuminate downtown

The lights of the Cavern Theater’s marquee are back! A great crowd was on-hand in downtown Carlsbad on October 25 to witness the lighting of the refurbished marquee. Congratulations to Creative Carlsbad, Carlsbad Mainstreet, and the City of Carlsbad! The Foundation is proud to host the Cavern Theater Fund, which will assist in the restoration of the old building into a performing arts venue.

To promote awareness of the restoration project, the marquee lights shine each Friday, Saturday and Sunday night from 7 to 11 p.m.

Express Gift Form

We’re making it easier for you to support the Foundation’s charitable mission with the Express Gift Form, below. If you need assistance, give us a call - we are happy to help! Online giving is also available at www.carlsbadfoundation.org.
