As a young person, we often imagine our lives to be a direct line from Point A to Point B. What I’m learning, however, is that our journey is seldom that simple or easy.

Instead, I’m starting to see that life has many twists and turns. Some are planned and some are not, but we often have the benefit of a new beginning. And not just one new beginning, but I think we have the opportunity for multiple new beginnings.

Such is the case with much of the charitable work carried out by the Foundation and other charitable organizations in our community. This issue of The Catalyst focuses on scholarships and it’s exciting to see the promise of new beginnings in the eyes of every student who receives a scholarship award and dreams of great things to come.

Of course, the Foundation does a lot more than just award scholarships and I think new beginnings play a role in our other charitable work, as well. Through our support of nonprofit and charitable organizations, we support the possibility of new beginnings for many. Whether the need is for food, shelter, long-term care, education, youth programs, the arts, or animal well-being, sometimes all one needs is a start.

Also in this issue is a summary of the 2019 Chevron Catalyst Grant awards. The grant program resulted in more than 20 organizations that represent the hope of a new beginning for many.

The Foundation is honored as always to play a role in improving lives in our community. We thank you for being part of the journey, twists and turns included!

Here’s to new beginnings!

Scholarship awards celebrate community legacies and student achievement

The Carlsbad Community Foundation has awarded more than $100,000 in scholarships to graduating seniors at four local public high schools. The largest, single provider of local scholarships, the Foundation announced the awards at three ceremonies held in April. In all, 93 scholarships were awarded to students at Carlsbad High School, Carlsbad Early College High School, Jefferson Montessori Academy and Loving High School.

Many of the Foundation’s scholarships are from memorial funds that honor beloved members of our community.

“Some of the scholarships memorialize individuals who were longtime residents,” said Executive Director Mike Antiporda. “Others memorialize individuals who were young and left us too soon. Through these awards, however, their legacies grow and the recipients learn that beyond any dollar amount received, they become part of that legacy.”

Family members of many of these individuals take part in the selection committees and often in the presentation of the scholarship. This year, three families were represented at the award ceremonies for the first time, as the initial scholarships were awarded for the Madison Lee Aves Memorial Scholarship, the Linda Palma Memorial Scholarship and the Michael Wilcox Memorial Scholarship.

Next Scholarship Opportunity
The Foundation’s next scholarship cycle will begin June 1, 2019 when scholarships for continuing and/or returning students are posted on the Foundation’s Web site (www.carlsbadfoundation.org), along with the online application. Scholarships will be available for not only students pursuing four-year academic degrees, but also those pursuing vocational studies and/or certifications.
New Benefactors recognized by Board

A warm welcome to five new Foundation Benefactors! At recent Board meetings, the Foundation’s Board has approved benefactor recognition for these individuals and organizations who are major donors to endowment funds.

Through their generosity, the Foundation is able to pursue its long-term, charitable mission to improve lives of people in Carlsbad and South Eddy County. We are honored by their trust in our work and thrilled to recognize them as members of our Benefactor Family!

Billy & Cindy Bryan
The Foundation is pleased to have Billy & Cindy Bryan among our Benefactors. Clearly, education is important to them. In addition to their support of several scholarship funds over the years, they, along with their family, have been drivers in the establishment of an endowed scholarship fund for Loving High School students in memory of Cindy’s parents, C.M. & Dorothy Moffatt.

Devon Energy Corporation
Devon Energy Corporation has been actively involved in the community in recent years and supports many charitable causes. Devon is a strong supporter of numerous local activities and is currently establishing a Foundation scholarship fund to support students in the STEM (science, technology, engineering and mathematics) field. Their involvement through the Foundation has included the Mayor’s Energy Summit Committee and Inspired by Science.

Gemma Ferguson
Gemma Ferguson is a long-time local resident who has a great heart for our community. Over the years, she has supported the Founders Fund, which benefits the long-term work of the Foundation, Jonah’s House Food Pantry, the Landsun Homes Caring Hands Fund, and more.

Merland, Inc.
Merland, Inc. may be a new organizational Benefactor, but it has been a long-time supporter of charitable causes and the Foundation for more than 20 years. With assets throughout the area, the company has provided a lot of support to the Emergency Disaster Relief Permanent Fund, as well as other funds in support of housing and local history.

Russ & Claiborne Power
Russ & Claiborne Power believe in Carlsbad and have been supporters of many charitable causes over the years. The Powers were instrumental in establishing the Emergency Disaster Relief Permanent Fund. They have deep family ties to the area and their support of numerous endowed and non-endowed funds has been a great benefit to the community.

Save the Date!

The Annual Community Reception will be here before we know it! Mark your calendar for September 26, 2019! Watch for announcements and details in the next issue of The Catalyst and on Facebook!
The Carlsbad Community Foundation has awarded grants totaling more than $66,000 to 21 nonprofit organizations. The Chevron Catalyst Grant Program is the result of a partnership between the Foundation and Chevron Products Company.

Two years ago, Chevron established the Chevron Catalyst Fund, which allows the Foundation to award small to medium-sized grants for diverse charitable needs through a competitive grant process.

Cary Baird, the Policy, Government & Public Affairs Team Lead for Chevron’s Mid-Continent Business Unit, attended the 2019 Award Ceremony and spoke highly of the partnership with the Foundation. She also said the program is particularly beneficial for charitable causes that may not be known by Chevron, but that the Foundation is able to identify as an important need for our community.

“The Foundation is honored that Chevron established the fund with us to help improve lives in Carlsbad and South Eddy County,” said Executive Director Mike Antiporda. “The flexibility of the program allows us to serve very diverse charitable needs.”

The list of 2019 recipients is as follows:

1. Assistance League of Carlsbad
2. CARC, Inc.
3. Carlsbad Battered Family Shelter
4. Carlsbad Community Anti-Drug/Gang Coalition
5. Carlsbad Community Concert Association
6. Carlsbad Community Kitchen
7. Carlsbad Community of Hope Center
8. Carlsbad Community Theatre
9. Carlsbad Lifehouse, Inc.
10. Carlsbad Literacy Program
11. Carlsbad MainStreet Project
12. Carlsbad Transitional Housing and Homeless Shelter
13. Creative Carlsbad Arts Council
14. Desert Willow Wildlife Rehabilitation Services
15. Dolly Parton's Imagination Library of Eddy County
16. Eddy County CASA
17. Epsilon Sigma Alpha "Packs for Hunger"
18. Friends of the Living Desert
19. Girl Scouts of the Desert Southwest
21. Southeast NM Community Action Corporation

Chevron has been an organizational Benefactor at the Foundation since 2016.

Jan Nesbit’s long-time service to the Foundation recognized

The Board of Directors and staff recently celebrated the long-time service of Jan Nesbit, who has been with the Foundation since 2000. The celebration was not the end of her service, but rather marked its continuation! Jan transitioned to a part-time position to allow more time for family, friends and other interests.

“Jan is our rock,” said Executive Director Mike Antiporda, “Her experience and knowledge of the Foundation for all these years is unequaled.”

At 18 and a half years, Jan is the second longest serving employee in the Foundation’s history. The only person to serve longer was Former Executive Director Jim Harrison at about 19 years.

Noah’s Ark awarded grant

The Foundation recently awarded a grant to Noah’s Ark Animal Refuge from the Benjamin P. Duke Memorial Endowment Fund. The grant is in support of efforts to reduce euthanasia rates. Above, Mike Antiporda and Noah’s Ark President Lorraine Allen-Munoz had their hands full with just two of the adorable animals looking for their forever homes. The Foundation also has a designated endowment fund to benefit the organization, the James C. and Bessie M. Hobson Noah’s Ark Fund, which was established in 2016.
