2020

New Year. New Decade.
New Opportunities to Help Others.
Looking forward to 2020 and beyond

Another year has ended and I’m not only wondering what happened to the last 12 months, but also what happened to the last decade! Despite my bewilderment, each new year begins with the promise of great things and that’s especially true of the dawn of a new decade!

New Year’s Eve is always a global event, but when the celebrations cease, I am reminded that for our daily lives it often represents the start of the next step. Like in school when going from one grade to another, it seemed like a big step in my mind, but really it was just another step leading forward. But in both cases, there’s great optimism. We start anew and look for great things to come in the year ahead.

That’s certainly the case here at the Foundation. We’re looking forward to the positive things that will be accomplished. In partnership with local nonprofit organizations, many people will be served. Needs, such as shelter, food, and safety, will be addressed. Those in medical and long-term care facilities will be healed, loved and comforted. Youth will have opportunities to thrive and grow. The community will take joy in the visual and performing arts. Students will pursue their dreams through academic studies and vocational training. And there will be much more.

All of this is possible due to the generosity of our donors from our start in 1978 until today. I thank you all for supporting our community in so many ways and giving those in need the opportunity for a new start. We’re looking forward to taking positive steps with you, in both the year and the decade ahead.

Mike Antiporda is the executive director at the Carlsbad Community Foundation

A warm welcome to new Benefactors

We love welcoming new faces to our Foundation Family! First, the Board recently recognized Israel Palma and Jay and Tracy Francis as our newest benefactors. In 2017, Israel Palma established the Linda Palma Memorial Scholarship Fund in memory of his wife. Along with their sons, family and friends, the fund quickly grew, which was a testament to the impact Linda had on the community. She was a long-time employee at Landsun Homes and a major driver of Carlsbad’s Relay for Life event and the high school band boosters. The scholarship was awarded for the first time in the Spring.

Jay and Tracy Francis also became benefactors in December 2019. Active community members for many years, the couple has supported multiple endowment funds at the Foundation. Their generosity has benefitted numerous charitable purposes, including youth programs, church-related funds, and various educational scholarships.

The Board of Directors recognizes individuals and organizations with Benefactor status to honor major donors to endowment funds.

Mini-grants benefit local needs during the holiday season

The Foundation hosted its annual Holiday Grant Reception on November 21 at its downtown office. Each year, mini-grants are awarded to local organizations to help with some of the extra expenses that often arise during the holiday season. In all, 16 organizations benefitted from the program.

This year’s recipients included: the Boys & Girls Club, the Carlsbad Battered Families Shelter, Carlsbad Community Kitchen, Carlsbad Community of Hope, Carlsbad Literacy Program, Carlsbad Transitional Housing & Homeless Shelter, CARC Inc., Eddy County CASA, Christmas Anonymous, CMC Auxiliary, ESA Packs for Hunger, the Faith, Hope & Love Foundation, Jonah’s House, Lakeview Christian Home, Landsun Homes, and SENM Community Action Corporation.

Many thanks to all of the organizations who work to help others all-year long!

Trio joins Foundation Board of Directors

The Foundation Board of Directors has welcomed three new members. At the September meeting, Bill Kingston, Jessica Onsurez and Jedd Raney were nominated to fill vacancies on the Board and approved unanimously. Jim Renfrow and Eddie Rodriguez were also approved to serve a second three-year term. For the current year, officers will be Deborah Beard (President), Vicki Moutray (Vice President), Christy Dickerson (Treasurer) and Chris Jones (Secretary).
Community Reception focuses on long-term impact of donor generosity

Donors, scholarship recipients, nonprofit organization representatives and others recently gathered to celebrate the impact of philanthropy. The Carlsbad Community Foundation recently held its annual community reception, where the focus was on the interaction of guests, who whether through funding or effort, are among the most caring people in the area who make a huge impact on the lives of others.

Master of Ceremonies Mike Currier delivered a brief program that outlined the evening's theme: Remember the Past, Celebrate the Present, Look to the Future. He traced several examples of donors who gave both during their lifetimes and in their final estate documents. He then showed concrete examples of how those contributions many years ago are benefitting our community today and will continue to support needs in the community for many years to come.

One example highlighted the generosity of Herman and Charlotte Nagel. They established the Foundation's first endowment funds in 1981 and one in particular was established to support what is now the Boys & Girls Club of Carlsbad. They started out with a gift of about $12,000 that was matched by the Foundation. They solicited contributions from friends, neighbors and others to support the cause and the fund grew. When Mr. Nagel passed away in 1990, he also left a sizeable gift to the Foundation, further growing the fund.

Today, the generous giving of the Nagel's continues to benefit the Boys & Girls Club. The Foundation is able to award monthly grants from the Nagel Boys & Girls Club Fund that are used toward operating expenses, giving many area youths a safe place to study, learn, play, and develop skills for their future. To date, the fund has generated enough money for the Foundation to award more than $570,000 in grants to the organization. As an endowment fund, Currier explained that this benefit will continue well beyond our own lifetimes.

Building on the impacts that Currier outlined, Executive Director Mike Antiporda pointed out the many framed photos decorated all the tables throughout the Carousel House. The photos, taken by Foundation staff or submitted by local nonprofit organizations, depicted impacts of philanthropy. They included charitable work on many needs in the community, including housing and homelessness, hunger, education, scholarships, domestic violence, animal wellbeing and much more.

These impacts are possible due to the generosity of many. Many thanks to SEI Investments for cosponsoring this event and to all who participated and give to benefit our community.
Foundation announces Chevron Catalyst Grant award recipients

The Carlsbad Community Foundation is proud to announce the upcoming grant recipients through the Chevron Catalyst Grant Program. The competitive grant program began with online applications being submitted in October. Review and selection followed and the grant checks will be distributed to recipients in early 2020.

Chevron, which is one of the Foundation’s organizational benefactors, established the Chevron Catalyst Fund in 2016. The Foundation set up the competitive grant program to serve varied needs in the community and this marks the third year of the program.

Jennifer Granger promoted

The Board of Directors has approved the promotion of Jennifer Granger to the position of Program Director. Jennifer joined the Foundation Team in December 2017 and has been an integral part of achieving the Foundation’s charitable mission.

“We are so proud of Jennifer’s success,” said Foundation Executive Director Mike Antiporda. “She has learned quickly and is a great help to everyone, including donors, grant recipients and students.”

Jennifer’s history with the Foundation goes back to 2014, when she graduated from high school and was awarded the Kathryn Jaye Sepich Memorial Scholarship. While going to college, she worked at Martin, Dugan & Martin Law Firm part-time until accepting full-time employment at the Foundation in 2017.

Her hard work payed off and in December 2019, Jennifer graduated from New Mexico State University with a Bachelor’s degree in business administration and a minor in marketing.

As Program Director, Jennifer plays a key role in all of the Foundation’s activities, including donor services, grantmaking, scholarships, and office operations.

Congratulations to Jennifer on her graduation and promotion!
National Community Foundation Week celebrated in November

The Foundation joined more than 795 community foundations across the country in celebrating National Community Foundation Week (Nov. 12-18, 2019).

Locally, we had a lot of activities going on. We marked the start of the week by receiving a donation from Devon Energy for the Stop the Bleed campaign. This effort involves several local entities, including the Carlsbad Fire Department, the Eddy County Sheriff's Office, the Carlsbad Police Department, Carlsbad Medical Center and Carlsbad Municipal Schools. The purpose is to improve public safety by providing life-saving skills to local residents.

That same day, the Foundation awarded a grant to Landsun Homes for advanced nursing training and compliant bedding upgrades. Foundation Board President Deborah Beard presented the grant to Landsun Executive Director Marsha Drapala and members of Landsun's Board and staff.

In the coming days, more community events followed, including participation in the Nuclear Waste Partnership After Hours Event by the Chamber of Commerce Ambassadors, hosting the inaugural board of directors meeting for Inspired by Science, supporting the Carlsbad Mayor’s Prayer Breakfast, attending a seminar on the dangers of vaping sponsored by the Carlsbad Community Anti-Drug/Gang Coalition, participation in an event for the Desert Willow Wildlife Rehabilitation Center, sponsoring a Teen Suicide Panel Discussion by the Chamber of Commerce’s Age-Friendly Communities Council and hosting the Third Monday Meet & Greet by Creative Carlsbad.

We are so grateful to be part of such an amazing community!
